Oct/Nov/Dec 2019

A New Season is Upon Us!

Dear Friends,

After a very busy summer outside the US, I look forward to seeing each of you and hearing about your activities! Our South Florida Club has grown to a total of 65 Members. We welcome our new members and encourage everyone to show up at our events throughout the year. Eileen Frerking, our incoming President, has a year full of fun rallies and gatherings planned for our enjoyment. Fun, friendship & adventure will be found from Homestead, to Sarasota, to Lake Wales, to Clermont, to High Springs with a few stops in between! Check out our 2019-2020 schedule on the back page of this Fun Times.

To round out our 2019 season, we are holding our Installation Rally at Larry & Penny Thompson Park in Homestead, FL. Even if you can't spend the weekend with us come and enjoy a day of planned festivities. The schedule is printed on pages 6-9 of this newsletter.

Our Holiday Party will be held on Dec. 7th on the east coast of FL and a Jan. 12th Luncheon will be held on the west coast. We are starting the Christmas season off early with our annual TOY DRIVE for the children at PEPPI Headstart School located in Belle Glade, FL. These preschool children live in poverty conditions and the donation of these toys by our club is a tremendous help to Faith Lutheran Church, who provide a Christmas bag of items to each child. Bring your gifts to our Homestead Rally or your wrapped gifts to our Holiday Party where we will have fun being a kid again and discovering a new toy!

Thank you to all my Board Members who supported me this year as your President. A special thanks to all who attended our rallies & gatherings helping to make our South Florida Airstream "Fun in the Sun"!

62nd International Rally, The Meadows Event Park, Doswell Virginia, July 20th – 27th, 2019

A First Timers overview of the Doswell International Rally.

Our trip to Doswell, Virginia was great with no issues or interruption to our travel plans. The weather was hot but that is 100% better than ice and snow anytime.

Not knowing what to expect, we just had the mindset of the adventure of something new. To our surprise upon our arrival in Doswell we were greeted by Beth Racavich via phone and she gave us the directions we needed to find the correct entrance to the staging area, it felt like she was in the truck with us, it was great.

Region # 3 did an outstanding job in hosting the event. The International Rally Planning Committee also did an outstanding job in planning and organizing the event headed by our International President, Barry Bell.

Barry and Karen Bell, International President and First Lady presented the Welcome Message and conducted the Opening Ceremony. Barry also introduced Eileen Frerking, International Recording Secretary and John Frerking, International Religious Services Coordinator, morning devotions, and Master of Ceremonies. Judy Harrison was the Standard Bearer representing the South Florida Airstream Club in the parade of Flags, and Beth Racavich was our Club Delegate.

We can't forget all the volunteer's that worked many long hours so the rest of us could enjoy the rally without interruptions to our own itineraries and scheduled attended presentations. In addition, thank you to all the Unit 30 members listed below for their hard work at the International Rally:

Caroline Zimmer-Stone – Print Shop Chair, and Welcome Banner collaborator with her art teacher (picture above)

Myra Joseph – Worked in Print Shop, served ice cream

Max Joseph – Parking

Bill Racavich – Parking, pick up ice cream, served ice cream

Beth Racavich – Caravan Leader table, seminars, served ice cream

Nai Carlson – Seminars, served ice cream

Tom Carlson – Seminars, served ice cream

Victoria Magnacca – Seminar Chair for the Rally, served ice cream

John Magnacca – Parking, shuttle, served ice cream

Eileen Frerking – Extremely busy with many responsibilities throughout the rally, served ice cream

John Frerking – Provided a Non-Denominational Church Service, pick up ice cream

Shirley Caragol – Seminars, served ice cream

Emilio Caragol – Seminars, served ice cream

Judy Harrison – Pop-up vendor, served ice cream

Elwyn Exum, Pop-up vendor, served ice cream

The Region 3 Luncheon was a great opportunity to meet new friends and catch up with old friends. The South Florida Airstream Club had a luncheon at a Historic Site, The Hanover Tavern. A license for a tavern at Hanover Courthouse was issued in 1733. Today, Hanover Tavern occupies a site consisting of 3.5 acres. The Foundation raised over \$5 million, stabilizing and restoring the historic building, added a wing for restrooms, a restaurant quality kitchen, new mechanical systems, and refurbished the theater. The building returned to public use in 2005. Eileen Frerking welcomed everybody to the luncheon creating a warm and welcoming atmosphere.

The Rally Program Book was very helpful to a first timer like us, we were able to prioritize the many presentations and keep up with daily events. Judy Harrison and Elwyn had a fantastic space set up in Booth J-1, with their Honey Products including the awesome Beeswax Body Butter that my wife loves. Beth and Bill Racavich also had a table set up with information on the upcoming Watch It Made in America Caravan for 2020 - 2021.

There were many presentations scheduled during the weeklong rally and it was impossible to attend all of them. The few that I was able to attend were: Tech Talk, Airstream Feedback, Benefits of Towing with Equal-I-Zer, and How to Have More & Better Rallies. I also attended a very informative presentation by Bill Racavich on Knowing Your Tires: Dos and Don'ts.

The nightly entertainment was outstanding and included the following performers. Mountain Highway, Antsy McClain, The Virginians, Edgar Cruz, The Wally Byam Airstream International Band, and The Rivoli Review.

We also had the opportunity to visit Washington DC. via Bus Tour. We found that to be the best way to visit the Capital without the traffic frustration of DC. The first tour started with a visit to The Smithsonian National Air and Space Museum at the Udvar-Hazy Center, where the NASA Mobile Quarantine Facility Manned Spacecraft Airstream is located. We continued a Windshield Tour of the DC Monuments and Capital Area. The Bus Tour ended at the Arlington National Cemetery. I must say that as an Army Veteran this was a very moving experience for me. The second Tour took us to the DC Mall for the day where we visited the Smithsonian National History Museum, The Washington Monument, the Vietnam Wall, The Capital Building, and The Botanical Gardens. That was a very enjoyable two full days.

Back at the Rally we continued to meet people from all over the U.S. including Canada and it was interesting to hear the many different travel stories. I can't forget to mention the great Ice cream Social where South Florida Airstream Club members participated in setting up the tables and the distribution of many flavors of Klondike Ice cream Bars.

The next day we took the Secretariat Birthplace Tour at the Meadows Event Park, it presented the story of this historic Virginia farm where the immortal Triple Crown champion Secretariat was born and raised. Leeanne Meadows Ladin, award – winning co-author of the best-selling *Secretariat's Meadows – The Land, The Family, The Legend*, shared exclusive behind-the-scenes stories of the farm's fabled past, the Chenery family and their champion Thoroughbreds.

We missed having Tony and Donna Laurie, Essy and Patricio Donoso, Susan Quintana, and others, at the rally. However, they were traveling on scheduled Caravans at the time. We can't wait until they return so we can hear their travel stories.

As we prepared for the end of the rally and return trip home, we are thankful for the wonderful time we spent with all of you during our first International Rally.

Eileen's Review of the JOINT RALLY IN FT. MYERS – September 19-23, 2019

Thank you Vicki Digby for organizing this amazing rally at the Seminole Resort. Members from South Florida Airstream Club, Florida Airstream Club, Florida Treasure Coast Airstream Club and Florida Suncoast Airstream Club along with others who just wanted to join the fun attended. Thursday evening we began with a Happy Hour and then a BBQ meal. We were thrilled that Jack and BJ Glouner and Tom and Jackie Tisdale drove over to visit and eat with us. So great to see these friends again.

A trip to ECHO Farm was an option in which many of us participated on Friday morning. They are an experimental farm that works with different methods of producing food and the use of cooperative farming with animals not only providing sustenance but also as workers on the farm. Their website offers information on techniques for varying environments.

ECHO FARM TOUR
Our decent, bamboo hut constructed from bamboo grown about 40 feet away, worm composting using paper and plant and food scraps – no meat or fat, terraced farming, the goat house – work in the fields too as well as giving milk and meat, the chicken yard – fertilizer and food. Sheep are used for keeping the grass in the orchards clipped. Pigs do some weeding.

Friday afternoon we enjoyed the hospitality of North Trail Airstream of South Florida, who was a sponsor for this rally. They were very generous with their time by showing us around the new building, the repair center, and the parts department, sharing the new trailers, serving a wonderful lunch, and having so many door prizes. **THANK YOU NORTH TRAIL** There were several reports about their excellent service including one from our own Susan Quintana.

IMPORTANT NOTE: they service ANY Airstream, not just the ones they sell
Friday evening most of us enjoyed the Music Walk in downtown Ft. Myers.
Transportation provided by North Trail.

Saturday was a free day to visit the area or buy a new Airstream (LOL)!

Saturday dinner at the Boathouse Grill – we stayed until sunset eating and visiting 

Sunday – Breakfast and free time. Unit 30 had a meet and greet prior to the presentation by SkyMed. Our dinner was provided by SkyMed also. Then it was time to say farewell – get a good night's rest and be on the road on Monday.

items, such as the pulled pork, have been smoked for 12 hours or more! This process ensures that each bite will be tasty and tender all the way through. Happy -
Our long time friends/members, Jack and BJ Glouner and Tom and Jackie Tisdale, who live in/near Ft. Myers, joined us at the rally at the Seminole RV Park on Thursday for happy hour and dinner.

Not so happy -
Nai Carlson had surgery the end of August and is recovering slowly.

Myra Joseph - fell at a rest stop on the way to Jackson Center, OH, and broke her elbow. She has had successful surgery in Sidney, OH, and will have to stay there for about 3 weeks so the medical personnel can monitor her progress. John and I spoke with both she and Max. Myra is in good spirits and Max, I'm sure, will be a great caregiver!

Safety Recall Notice

I received the following Safety Recall Notice from Airstream in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. The recall Safety exists in certain 2017 - 2020 model year Airstream travel trailers.

Reason for this recall: The affected travel trailers covered in this recall have been identified as having a spare tire bracket that may have a defective weld. This could cause the bracket to break, which could result in the spare tire carrier to become unsecured from the A-frame increasing the risk of a crash.

I contacted my Airstream Dealer in Tampa and they verified that my Airstream was part of the Safety recall. A new bracket was shipped overnight from the factory and installed the following day. The installation took approximately 15 minutes.
